---

Fleetwood has been manufacturing made in the USA modern style windows and doors for luxury homes since 1961. Dedication to architectural integrity and meticulous refinement of “the little things” has distinctively positioned Fleetwood as a market leader.

# MARVIN®

---

Windows that Expand Horizons and Doors that Transcend Boundaries.

Established in 1904 with four generations of building windows and doors the right way. One at a time and built around you.

Wood sourced from responsibly managed forests with a dedication of producing energy efficient products that contribute to a sustainable future. Committed to making products that stand the test of time.

# TRŪSTILE<sup>®</sup>

A MARVIN  BRAND

---

TruStile was founded in 1995 on the principles of design flexibility and short lead times, two things that were noticeably lacking in the custom door market. Today, TruStile is the nation's leading manufacturer of solid high-quality MDF doors. If you can dream it, TruStile can design and build it.

WINDOW AND DOOR

---

Established in 1898, Groke Doors has evolved to offer one of the largest selections of modern and contemporary front entrance doors available anywhere. A Groke custom aluminum front entry door is, without question, the ultimate finishing touch for your entryway, offering an unmatched combination of craftsmanship, security, energy performance and durability.

# SKYLIGHTS

# The No Leak Skylight™

Founded in 1940, VELUX is a global market leader in the manufacturing of skylights and roof windows. Founded on a vision of daylight, fresh air and quality of life, these benefits are enjoyed in millions of homes around the world.

---

**HARDWARE**

# EMTEK®

---

Emtek was founded in 1981, in City of Industry, CA as a manufacturer of specialty hardware products selling to door manufacturing companies. By the mid 1980's Emtek began making a limited range of solid brass door levers for specialty hardware dealers in the Los Angeles area. Today, Emtek's insistence on quality workmanship has limited the pace of decorative hardware product development, but it has resulted in a well-earned reputation for reliability and integrity of design.

# HÄFELE

---

Häfele was established in 1923 in Nagold, Germany, and evolved from a local hardware business into a global company by the Häfele and Thierer families. Today, Häfele is a leading international supplier of furniture, architectural hardware and LED lighting components.

# FSB

FSB has been supplying classic and custom hardware for doors and windows with a focus on design, function, and ergonomics since 1881. They combine their levers with high-quality locksets for swinging and sliding doors, door pulls for glass, wood, and metal doors, hinges, bathroom accessories, and a host of supporting hardware in matching styles and finishes.

Marin Window and Door is proud to be your preferred resource for windows, doors, skylights, and hardware, servicing Marin, Napa, and Sonoma counties, San Francisco, South Bay, and the Peninsula.

Offering a wide range of premier brands and products for homeowners, designers, architects, contractors, and developers, Marin Window and Door has a product for every project.
